S.-The allies presented a united front on their return to Mudania at 16 o'clock tonight. and the feeling of all three delega-tions was that Ismet Pasha would be tions was that Ismet l'asha would be forced to yield. The delegations expressed optimism regarding the outcome, contending there was little doubt that the Turks would accept the allied demands, leaving the question of limitation of the Turkish gendurmerie only as a possibility of friction.

GREEK TROOPS ON FRONTIER

CONSIDERABLY RE-ENFORCED

[By Associated Press.]

SOFIA, Oct. 8.—The Greek troops

[By Associated Press.] A. Oct. 8.—The Greek troops on the Bulgarian frontier have bee considerably re-enforced, a fact which is causing some anxiety, es-pecially as Greece lately has accused sheltering Kemalist agents coming to Bulgaria as Thracian refugees, and then organizing them into bands to invade Thrace. Bulgaria has sent a note to the powers asking them to investigate the situation. An explosion today destroyed a railroad bridge near Bidiklu, in Greek Thrace. The Greek authorities have charged Turkish bands with responsibility

Identity of Guilty

moned in a general round-up of minor characters who have previous-ly appeared in the investigation. Provide Justice to Soldier.

"To provide, by legislation, justice to the American soldier."

In spite of the fact that the Democratic leaders in the Senate and liouse, Senator Underwood and Representative Garrett, voted against the previous bonus bill and also to sustain the President's vote, it was explained that the Harrison plank was intended to convey the idea that a Democratic Congress would enact a bonus measure.

Detectives said these questionings had led them to give serious consideration to the former theory that mistaken identity might have led to the double shooting. Leon Kauffman, a friend of Schneider, was then summoned to corroborate certain statements which the authorities said Schneider made. He told them, also Democratic Congress would enact in the former theory that mistaken identity might have led to the double shooting. Leon Kauffman, a friend of Schneider, was then summoned to corroborate certain statements which the authorities said Schneider made. He told them, also Democratic Congress would enact in the former theory that mistaken identity might have led to the double shooting. Leon Kauffman, a friend of Schneider, was then summoned to corroborate certain statements which the authorities said Schneider made. He told them, detectives said, these questionings had led them to give serious consideration to the former theory that mistaken identity might have led to the double shooting. Leon Kauffman, a friend of Schneider, was then summoned to corroborate certain summoned to corroborate cer bonus measure.
